**RE: Notice of CenturyLink Public Communications, Inc.'s Intent to Provide  
Telecommunications Services as a Telephone Utility in Kentucky**

Dear Mr. DeRouen:

We are Kentucky counsel to CenturyLink Public Communications, Inc. ("CPCI"). CPCI is a wholly-owned indirect subsidiary of CenturyLink, Inc. CPCI is a U.S. entity formed under the laws of Florida as a corporation and is qualified to do business in Kentucky.

CPCI intends to offer specialized services to correctional facilities throughout the Commonwealth of Kentucky. CPCI proposes to offer nonbasic service, *see* KRS 278.541(5), including interexchange service.<sup>1</sup> While the company is not required to file tariffs for nonbasic services in Kentucky, it is evaluating whether to offer any retail services pursuant to tariffs.

Repair, maintenance and all customer-affecting issues are usually directed to CPCI Customer Service. Customer Service employees then dispatch the appropriate technicians, as necessary and appropriate. The Customer Service telephone number is 1-888-664-7839.

The Information Form for Telephone Utilities required by KRS 278.542(2) is included with this letter. Please use the information below to add CPCI to the Commission's records.

---

<sup>1</sup> The Commission has determined that inmate services are nonbasic. *Jones v. Correctional Billing Services and Eastern Kentucky Correctional Complex*, Case No. 2008-00565 (August 26, 2009).
